Ammonia volatilization from mineral fertilisers

G. Hofman
O. Van Cleemput
P. Demeyer

Landbouwkundige Uitgeverij G.C. van den Berg

Contents

Introduction	1
1 Mineral nitrogen fertilisers	2
2 How can ammonia volatilize?	4
3 Influence of fertiliser type	6
4 Influence of soil pH and calcium carbonate content	10
5 Influence of the temperature	12
6 Influence of soil moisture content	14
7 Influence of depth of fertiliser incorporation	16
8 The balance	17
